

## **GoblinCoin (GBLN) Whitepaper**

### **Introduction**

#### **Mission Statement**

**GoblinCoin (GBLN) is a community-driven meme coin blending decentralized governance, lore creation, and gamification. It aims to create an engaging, trollish ecosystem where users shape the project's direction and storytelling.**

### **Tokenomics**

#### **Total Supply**

**1,000,000,000 GBLN (Capped Supply)**

### **Distribution**

- 70% Liquidity Pool**
- 15% Team (No Vesting)**
- 15% Rewards (Locked)**

### **Utility & Governance**

#### **Transaction & Payment Features**

- Fast, Low-Fee Transfers for peer-to-peer transactions.**
- Goblin NFT Marketplace for exclusive digital assets.**
- Community Events & Betting via Goblin Wars & Raids.**

### **Governance System**

- Voting power scales with GBLN holdings, rewarding active participants.**
- Goblin Council governs lore, rules, and decisions.**
- Clans elect representatives, ensuring community-driven leadership.**

### **The Goblin Canon (Lore System)**

- Community-driven lore with visual storytelling (art & comics).**
- Submission Process: Small GBLN fee, refunds for rejected entries.**
- Voting System: More GBLN = More Voting Power, with XP bonuses.**
- Lore Archive: Preserves story progression for easy reference.**

### **Gamification & Engagement**

- Goblin Alchemy: Craft rare NFT artifacts.**
- Goblin Leveling: Earn XP, unlock perks.**
- Goblin Wars: Strategic, lore-based battles.**

### **KYC & Compliance**

- KYC may be introduced in the future if required by legal regulations.**
- Regulatory Adaptation to evolving crypto laws.**
- Transparent Legal Communication for all participants.**

## **Roadmap**

### **Phase 1: March 2025 – The Goblin Awakening**

- Token launch, liquidity setup, initial exchange listings.
- Community growth & first meme contests.

### **Phase 2: Late 2025 – The Goblin Canon Begins**

- The Goblin Canon (lore system) launches.
- Lore submissions, voting system, and governance activation.

### **Phase 3: Early 2026 – Expansion & NFT Marketplace**

- Enhanced lore system & governance refinements.
- First Goblin Wars event & leaderboard.
- Goblin NFT Marketplace Launch.

### **Phase 4: Mid-to-Late 2026 – Full Decentralization**

- Expanded Goblin Wars and NFT integration.
- Strengthened governance and partnerships.

## **Conclusion**

**GoblinCoin (GBLN) is a chaotic, community-powered movement. Through governance, lore creation, and gamification, it offers endless engagement opportunities. Join the Goblin Horde and shape its legacy!**
